▲ **WOODS OF HIGHLAND** • CRP10 Walnut
 Traditional solid walnut doors and veneered sides — combined with the contemporary efficiency and practicality of European frameless construction — make an elegant and stately kitchen for any style home.

▲ **WOODS OF HIGHLAND** • V200 Rustic Oak
 The V200 Kitchen is designed for the homeowner who appreciates the rustic appearance of Knotty Oak but still wants the advantages of a frameless cabinet.

▲ **HIGHLAND CONTEMPORARIES** • NORWOOD
 This kitchen is shown in Norwood Hunter Green with natural oak trim and natural oak pulls. This style is available in hundreds of high pressure Formica® or Wilson Art® colors as well as the standard white, almond or gray melamine finishes.

▲ **HIGHLAND CONTEMPORARIES** • Vyband
 Vyband style cabinetry in white melamine surface with red nylon trim and black nylon pulls.

FERTIG'S HIGHLAND COLLECTION BRINGS CONTEMPORARY ELEGANCE TO ANY HOME.

Highland is a custom manufacturer of high-quality European-styled lines of cabinetry for kitchens, bath, and commercial applications. In the Highland Contemporary Series, your choice can vary from white, gray or almond melamine to the broad range of Formica® or Wilson Art® high-pressure laminate colors for that high-styled designer look.

A TOUCH OF BEAUTY!

In the Woods of Highland Series, choose from five different wood species (Walnut, Oak, Cherry, Maple, Hickory) and over 100 different door styles. With a door selection this vast, your new kitchen will become a unique statement of your individuality.

MANY STYLES TO CHOOSE FROM!

Highland cabinetry construction is of rigid glue/dowel assembly and true European case design; featuring full overlay doors, Blum 125° concealed clip hinges, Blum self-closing epoxy coated ball bearing drawer glides, which carry a lifetime guarantee from the manufacturer.
